TIPS BY SEASON

SPRING

MARCH – MAY

- Clear away winter debris and blooming plants.
- Run your equipment regularly to keep water clean and balanced.
- Brush steps, benches, and walls to prevent buildup.
- Check for leaks and inspect equipment after cooler months.
- Balance water early to help prevent algae as temps rise.

MAKING MEMORIES.

FALL

SEPTEMBER – NOVEMBER

- Falling leaves? We'll handle the cleanup—just enjoy your pool.
- Keep using your pool! Arizona fall weather is perfect for swimming.
- Check outdoor furniture and clean as needed.
- Let us know if you'd like to adjust your service as the season changes.

EXTEND YOUR SEASON.
LESS HEAT, MORE
COMFORT.

WINTER

DECEMBER – FEBRUARY

- Arizona winters are mild—take advantage of your pool!
- Keep water moving and equipment running to maintain water quality.
- If you're planning to travel, let us know so we can keep your pool in top shape.
- Enjoy crisp, sunny days by the pool.
